

Wyoming Pharmacy Association

107th Annual Convention

June 28-30, 2024
Thermopolis

PROGRAM

WELCOME TO THE 107TH ANNUAL CONVENTION!

OUR MISSION

Advocating, educating, and connecting to improve the health of Wyoming citizens through the advancement of pharmacy.

OUR VISION

Pharmacists and technicians in Wyoming will be recognized as caring and competent providers, as part of the greater health care team, who improve the use of medications, assure the safety of drug therapy, and enhance health-related quality of life.

CONTINUING EDUCATION DETAILS

WHO SHOULD ATTEND/TARGET AUDIENCE

Pharmacists and pharmacy technicians interested in completing ACPE approved educational programs to assist in their practice.

ACTIVITY OVERVIEW

These educational programs examine a wide variety of clinical topics from regulatory requirements of the Wyoming Board of Pharmacy to clinical opportunities as listed by the topics. Programs provide either knowledge-based or application-based information which is noted for each activity.

METHODS AND CE REQUIREMENTS

This live activity consists of active participation and engagement during the presentations. Participants must complete the electronic program evaluation. The evaluation must be submitted by the end of the last session on Tuesday, July 9th. Evaluations that are not received by this time will not be honored and the participant will not receive credit.

Evaluation link: https://uwyo.sjc1.qualtrics.com/jfe/form/SV_eXsNYhG4Me3TGkK

CE credits awarded will be electronically uploaded to the CPE Monitor system within 4-6 weeks of the UW SOP continuing education group receiving fully completed evaluations.

FACULTY DISCLOSURE

As a provider accredited by ACPE, it is the policy of the University of Wyoming, School of Pharmacy continuing education group to ensure balance, independence, integrity, objectivity, and scientific rigor in all educational activities. A potential for bias may exist if a continuing education faculty member is affiliated with or has a financial interest in any ineligible organization(s) that may have a direct interest in the subject matter of the presentation or the selling, marketing, or distribution of products discussed in the presentation. Situations involving potential bias are not inherently problematic or unethical, but the prospective audience must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the audience is provided full disclosure of the facts and may form their own judgments about the continuing education activity content. Faculty for this program have no known conflicts unless noted after the objectives for the associated program.

PRIVACY POLICY

Once you register for a program, your personal information is collected. However, this information is utilized for record-keeping purposes associated with verifying your participation in CE programs in accordance with our accreditation requirements. In addition, this information is used for marketing of other University of Wyoming CE programs. Under no circumstances is your personal information shared with/sold to any other party. You can opt out of receipt of any of our advanced program information at any time.

PROGRAM COORDINATOR

University of Wyoming School of Pharmacy

12:45	Adjourn

CONTINUING EDUCATION SESSION DETAILS

FRIDAY, JUNE 28, 2024

2:30pm | Wyoming Dinosaur Center

5:00pm-6:30pm | Registration

6:30pm-8:00pm | Meet and Greet with Exhibitors

SATURDAY, JUNE 29, 2024

7:30am-9:00am | Registration

7:30am-8:30am | Breakfast (WSHP Annual Meeting)

8:30am-8:45am | Welcome & Announcements

8:45am - 9:45am | Redefining Respiratory Syncytial Virus (RSV) Protection: From Infants to Seniors

Brooke Conroy, PharmD

Pharmacist & Technician Learning Objectives:

- Describe common symptoms of RSV and identify patients at risk for progressing to severe disease
- Describe currently available modes of protection against RSV
- Compare and contrast RSVpreF and RSVpreF3 vaccines

UAN: 0653-0000-24-004-L06-P/T

9:45am - 10:15am | Break

10:15am - 11:15am | Ethics

Clayton Barker

Pharmacist & Technician Learning Objectives:

- Develop critical thinking skills that help pharmacy employees recognize potential ethical dilemmas.
- Engage and motivate pharmacy employees to act ethically.
- Lead by example.

UAN: 0653-0000-24-005-L03-P/T

11:15am - 12:15pm | Town Hall Conversation with Public Officials/Legislators (No CE)

12:15pm - 12:45pm | Lunch

Ambulatory Care Pharmacists Networking Session

Kathrine Kenneaster

12:45pm - 2:15pm | Drug Enforcement Rules and Regulations for the Pharmacy Environment

Darrick J. Snyder, AAS; Jeffrey Byrd, BBA

Pharmacist & Technician Learning Objectives:

- List the basic requirements for handling Controlled Substances II-V and implement the related rules and regulations.
- Understand the current opioid crisis and the role a pharmacy staff member has in the prevention of opioid misuse and preventing pharmaceutical opioid diversion sample.

UAN: 653-0000-24-006-L08-P/T

2:15pm - 3:15pm | Covering the Bases with GLP-1s: Diabetes, Obesity, and the Insurance Conundrum

Lavinia Salama, PharmD

Pharmacist Learning Objectives:

- Explore the evolution of GLP-1 receptor agonists from diabetes management to their role in obesity treatment, detailing the mechanism of action and clinical benefits for both conditions.
- Provide a comparative analysis of the available GLP-1 receptor agonists, focusing on efficacy, safety profiles, and patient suitability for both diabetes and weight loss.
- Analyze the existing landscape of insurance coverage for GLP-1 receptor agonists, identifying common barriers to access for patients and the criteria used by insurers to determine coverage.
- Discuss how insurance policies might need to adapt in response to the expanding use of GLP-1 receptor agonists for obesity, including potential shifts in healthcare policy and insurance regulations.
- Propose strategies for healthcare providers and patient advocates to effectively communicate the benefits and necessity of GLP-1 receptor agonists to insurance companies, aiming to enhance coverage and accessibility.

UAN: 0653-0000-24-007-L01-P

2:15pm - 3:15pm | Expanded Practice for Technicians

Sheri Fulfer, AS, BS

Technician Learning Objectives:

- Describe advanced pharmacy technician roles
- Explain the impact advanced pharmacy technician roles have on the practice of pharmacy.
- Identify practice settings for advanced pharmacy technician roles.

UAN: 0653-0000-24-008-L04-T

3:15pm - 3:30pm | Break

CONTINUING EDUCATION SESSION DETAILS

SATURDAY CONTINUED...

3:30pm - 4:30pm | Do You Have PBM Complaints? An Overview of the Wyoming Department of Insurance PBM Program and Complaint Process

Camilla Hancock, PharmD

Pharmacist & Technician Learning Objectives:

- Understand the Role of the Wyoming Department of Insurance (DOI) and the New Pharmacy Benefit Manager (PBM) Program.
- Identify Types of Complaints.
- Understand DOI's Authority and Limitations.
- Navigate the Complaint Filing Process.
- Comprehend the Complaint Handling Process.

UAN: 0653-0000-24-009-L03-P

3:30pm - 4:30pm | Electronic Medical Records: Getting the Most of Them

John Arross, BS

Technician Learning Objectives:

- Be able to ask for custom reporting using vernacular necessary for report builders to understand.
- Be able to suggest custom decision support rules or improvements to existing rules.

UAN: 0653-0000-24-010-L04-T

4:30pm - 5:45pm | First WPhA Business Meeting

6:30pm - 10:00pm | Awards Banquet

SUNDAY, JUNE 20, 2024

7:30am - 8:30am | Registration

7:30am - 8:30am | Breakfast and Second WPhA Business Meeting

8:30am - 9:30am | Navigating the Specialty Pharmacy Landscape

Gabrielle Pierce, PharmD, MBA

Pharmacist & Technician Learning Objectives:

- Distinguish the characteristics and scope of specialty pharmacy and its impact on current pharmacy practice.
- Describe the unique patient care needs associated with specialty medications.
- Discuss emerging trends in specialty pharmacy.

UAN: 0653-0000-24-011-L04-P/T

9:30am - 10:30am | Pharmacists Mutual's Most 'Popular' Insurance Claims in Compounding (And How Not to be Next

Sponsored by Pharmacy Compounding Foundation

Kristen Jones, PharmD

Pharmacist & Technician Learning Objectives:

- Reduce the patient safety risks based on the information provided:
- Provide an overview how insurance companies insure compounding pharmacies.
- Review actual pharmacy claims to understand what went wrong.
- Provide risk management techniques to prevent compounding claims in the future.

UAN: 0653-0000-24-012-L05-T

10:30am - 10:45am | Break

10:45am - 11:45am | Advancements in State and Federal Efforts to Pay Pharmacists for Patient Care Services

E. Michael Murphy, PharmD, MBA

Pharmacist & Technician Learning Objectives:

- Explain the importance of pharmacists receiving reimbursement for their patient care services.
- Describe the strategy for expanding payment for pharmacists' services at the national and state levels.
- Explain strategies to advocate for the professional advancement of the pharmacist and pharmacy technician.

UAN: 0653-0000-24-013-L04-P/T

11:45am - 12:45pm | How Sweet It Is! Improving Diabetes Management with Continuous Glucose Monitoring

Jaime Hornecker, PharmD, BCPS, BCACP, CDCES, DPLA

Pharmacist Learning Objectives:

- Differentiate continuous glucose monitoring (CGM) options and the role of each in the treatment of the patient with diabetes.
- Determine which patients would benefit most from CGM and discuss accessibility options
- Interpret CGM data and the ambulatory glucose profile to improve diabetes management.

Technician Learning Objectives:

- Differentiate continuous glucose monitoring (CGM) options and the role of each in the treatment of the patient with diabetes.
- Determine which patients would benefit most from CGM and discuss accessibility options.

UAN's: 0653-0000-24-014-L01-P/T

12:45pm | Concluding Statements

THANK YOU TO OUR EXHIBITORS!
