CONTINUING EDUCATION DETAILS

WHO SHOULD ATTEND/TARGET AUDIENCE

Pharmacists and pharmacy technicians interested in completing ACPE approved educational programs to assist in their practice.

ACTIVITY OVERVIEW

These educational programs examine a wide variety of clinical topics from leadership, practice authority, immunization updates, pain management, drug shortages, USP focused areas and NIOSH, artificial intelligence, pharmaceutical calculations, vaccine medication errors, Rx & the law, and updates for 2025 legislative and regulatory issues. Programs provide knowledge-based information which is noted for each activity.

METHODS AND CE REQUIREMENTS

This live activity consists of active participation and engagement during the presentation. Participants must complete the electronic program evaluation. The evaluation must be submitted within 7 days (**due July 6, 2025**) of completing the session(s) you attended. Evaluations that are not received by this time will not be honored and the participant will not receive credit.

Evaluation link: https://uwyo.sjc1.qualtrics.com/jfe/form/SV_8iVZlt7WmGMqx6u

CE credits awarded will be electronically uploaded to the CPE Monitor system within 4-6 weeks of the UW SOP continuing education group receiving fully completed evaluations.

FACULTY DISCLOSURE

As a provider accredited by ACPE, it is the policy of the University of Wyoming, School of Pharmacy continuing education group to ensure balance, independence, integrity, objectivity, and scientific rigor in all educational activities. A potential for bias may exist if a continuing education faculty member is affiliated with or has a financial interest in any ineligible organization(s) that may have a direct interest in the subject matter of the presentation or the selling, marketing, or distribution of products discussed in the presentation. Situations involving potential bias are not inherently problematic or unethical, but the prospective audience must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the audience is provided full disclosure of the facts and may form their own judgments about the continuing education activity content. Faculty for this program have no known conflicts unless noted after the objectives for the associated program. Funding is provided by McKesson to support WPhA continuing education programs.

PRIVACY POLICY

Once you register for a program, your personal information is collected. However, this information is utilized for record-keeping purposes associated with verifying your participation in CE programs in accordance with our accreditation requirements. In addition, this information is used for marketing of other University of Wyoming CE programs. Under no circumstances is your personal information shared with/sold to any other party. You can opt out of receipt of any of our advanced program information at any time.
